Invited specialists¹

Sylvia H. Heywang-Köbrunner, Mammography Reference Center, Germany
Martin J. Yaffe, University of Toronto, Canada

Representatives

Frederic de Bels, French National Cancer Institute, France
Solveig Hofvind, Cancer Registry of Norway, Norway
Mary White, Centers for Disease Control and Prevention, USA

¹ Sylvia Heywang-Köbrunner works part-time in private practice, where 70% of her work is related to mammography screening.

Martin Yaffe has significant research funding from GE Healthcare, a manufacturer of mammography systems. Further, he holds significant shares of Matakina Ltd., a manufacturer of software for measuring breast density. He is also a principal of a private company, Mammographic Physics Inc. (MPI). His wife's retirement account includes shares of a company that makes mammography systems.

Observers

Hans-Werner Hense, University of Münster, Germany [unable to attend]
Jessica Kirby, Cancer Research UK, United Kingdom

Solène Quennehen

NOTE REGARDING CONFLICTS OF INTERESTS:

Each participant submitted WHO's Declaration of Interests, which covers employment and consulting activities, individual and institutional research support, and other financial interests. Participants identified as Invited Specialists will not serve as meeting chair or subgroup chair, draft text that pertains to the description or interpretation of cancer data, or participate in the evaluations. The Declarations will be updated and reviewed again at the opening of the meeting.
