

*IARC Handbooks of Cancer Prevention*  
**VOLUME 17: COLORECTAL CANCER SCREENING**  
**Lyon, France: 14-21 November 2017**

**PRELIMINARY LIST OF PARTICIPANTS**

**IARC requests that you do not contact or lobby meeting participants, send them written materials, or offer favours that could appear to be linked to their participation. (You may send pertinent written materials to IARC.) IARC will ask participants to report all such contacts and will publicly reveal any attempt to influence the meeting. Thank you for your cooperation.**

**Working Group Members and Invited Specialists serve in their individual capacities as scientists and not as representatives of their government or any organization with which they are affiliated. Affiliations are provided for identification purposes only.**

**Members**

Samar Al Homoud, King Faisal Specialist Hospital and Resarch Center, Saudi Arabia  
Johannes Blom, Karolinska Institutet, Sweden  
Michael Bretthauer, University of Oslo, Norway<sup>1</sup>  
Jean-Luc Bulliard, Lausanne University Hospital, Switzerland  
Douglas Corley, Kaiser Permanente, USA  
Montserrat Garcia Martinez, Catalan Institute of Oncology, Spain  
Michael Hoffmeister, German Cancer Research Center (DKFZ), Germany  
Rolf Hultcrantz, Karolinska Institutet, Sweden  
Iris Lansdorp-Vogelaar, Erasmus Medical Center, The Netherlands  
Iris Nagtegaal, Radboud University Medical Center, The Netherlands  
Paul Pinsky, US National Cancer Institute, USA  
Linda Rabeneck, Cancer Care Ontario/University of Toronto, Canada  
Suleeporn Sangrajrang, National Cancer Institute, Thailand  
Peter Sasieni, Queen Mary University of London, United Kingdom  
Robert Smith, American Cancer Society, USA  
Robert Steele, University of Dundee, United Kingdom  
Joseph Sung, The Chinese University of Hong Kong, The People's Republic of China  
Carolina Wiesner Ceballos, National Cancer Institute, Colombia  
Ann Graham Zauber, Memorial Sloan Kettering Cancer Center, USA

---

<sup>1</sup> Michael Bretthauer's research unit has received screening devices free of charge from various companies (and returned them back to the manufacturer after the trials) for investigator-initiated and -run screening trials.

***IARC Handbooks of Cancer Prevention***  
**VOLUME 17: COLORECTAL CANCER SCREENING**  
**Lyon, France: 14-21 November 2017**

**Invited Specialists**

Josep M. Augé Fradera, Hospital Clinic of Barcelona, Spain<sup>2</sup>

Douglas Robertson, VA Medical Center, USA<sup>3</sup>

Carlo Senore, Reference Center for Epidemiology and Cancer Prevention in Piemonte, Italy<sup>4</sup>

**Representatives of national and international health agencies**

Chisato Hamashima, National Cancer Center, Japan

Jae Kwan Jun, Korean National Cancer Center, Republic of Korea

Luciana Neamtiu, European Commission, Italy

**Observers**

None

**IARC / WHO secretariat**

Maribel Almonte, Prevention and Implementation Group

Franca Bianchini, Visiting Scientist, IARC Handbooks Group

---

<sup>2</sup> Josep Augé Fradera has received significant research support from the Menarini Group, Sysmex Corporation and Sentinel Diagnostics.

<sup>3</sup> Douglas Robertson is a member of the Scientific Advisory Board of Medtronic. He performs some medico legal consulting work, particularly on delayed diagnosis of colorectal cancer.

<sup>4</sup> Carlo Senore's institution has received equipment support for research from Covidien (previously Given Imaging) and EndoChoice, and received research support from a joint venture of the Piedmont Region and im3D S.P.A.

*IARC Handbooks of Cancer Prevention*  
**VOLUME 17: COLORECTAL CANCER SCREENING**  
**Lyon, France: 14-21 November 2017**

**NOTE REGARDING CONFLICTS OF INTERESTS:** Each participant first received a preliminary invitation with the request to complete and sign the IARC/WHO Declaration of Interests, which covers employment and consulting activities, individual and institutional research support, and other financial interests.

Official invitations were extended after careful assessment of any declared interests that might constitute a real or perceived conflict of interest. Pertinent and significant conflicts are disclosed here. Information about other potential conflicts that are not disclosed may be sent to the Head of the Handbooks Group at [ihb@iarc.fr](mailto:ihb@iarc.fr).

Participants identified as Invited Specialists will not serve as meeting chair or subgroup chair, draft text that pertains to the description or interpretation of cancer data, or participate in the evaluations. The Declarations will be updated and reviewed again at the opening of the meeting.
