Observer

Martin Wiseman, World Cancer Research Fund International, United Kingdom

IARC/WHO Secretariat

Maribel Almonte, Prevention and Implementation Group (Group Head)
Andrea Altieri, Nutritional Methodology and Biostatistics Group (*Rapporteur*)
Iacopo Baussano, Infections and Cancer Epidemiology Group
Lamia Benbrahim-Tallaa, *IARC Monographs* Group (unable to attend)
Andre Carvalho, Screening Group
Ian Cree, WHO Classification of Tumours Group (Acting Head, Section of Evidence Synthesis and Classification)
Laure Dossus, Biomarkers Group
Pietro Ferrari, Nutritional Methodology and Biostatistics Group (Group Head)
Jennifer Girschik, *IARC Monographs* Group
Yann Grosse, *IARC Monographs* Group
Iciar Indave, WHO Classification of Tumours Group (*Rapporteur*)
Béatrice Lauby-Secretan, *IARC Handbooks* Group (Group Head) (*Responsible Officer*)
Karen Müller, Communications Group (Editor)
Susan Norris, Department of Knowledge Translation (HQ/HIS/IER/REK), WHO⁶
Jin Young Park, Prevention and Implementation Group
Mary Schubauer-Berigan, *IARC Monographs* Group (*Rapporteur*)
Kurt Straif, Consultant for the Section of Evidence Synthesis and Classification (*Rapporteur*)

NOTE REGARDING CONFLICTS OF INTERESTS: Each participant first received a preliminary invitation with the request to complete and sign the IARC/WHO Declaration of Interests form, which covers employment and consulting activities, individual and institutional research support, and other financial interests.

Official invitations were extended after careful assessment of any declared interests that might constitute a real or perceived conflict of interest. Pertinent and significant conflicts are disclosed here. Information about other potential conflicts that are not disclosed may be sent to the Head of the *IARC Handbooks* Group at ihb@iarc.fr.

Participants identified as Invited Specialists did not serve as Meeting Chair or Subgroup Chair. The Declarations were updated and reviewed again at the opening of the meeting.

⁶ Susan Norris reports holding stocks in several private companies.

IARC Handbooks of Cancer Prevention
ADVISORY GROUP TO RECOMMEND AN UPDATE TO THE WORKING PROCEDURES
Lyon, France: 11–13 February 2019

NOTE REGARDING OBSERVERS: Each Observer agreed to respect the Guidelines for Observers at *IARC Handbooks* meetings. Observers did not serve as Meeting Chair or Subgroup Chair, or draft or revise any part of the updated Preambles or the Advisory Group Report. They also agreed not to contact participants before or after the meeting, not to lobby them at any time, not to send them written materials, and not to offer them meals or other favours. IARC asked and reminded Advisory Group Members to report any contact or attempt to influence that they may have encountered, either before or during the meeting.
